**You will receive extraordinary value when you hire Cherri Rapp to solve your QuickBooks problems.**

#### **QuickBooks Troubleshooting**

I can *quickly* reduce stress and solve your **QuickBooks pain!**

- Provide on-site or remote troubleshooting,
- Bring vast experience in locating and solving problems,
- Possess innate ability to separate a major problem from a minor one,
- Have access to QuickBooks top technical support experts for unusual software issues,
- Review and improve your QuickBooks setup for greater efficiency,
- Available by phone for emergencies (with some wait time if I am in a client appointment).

#### **QuickBooks Training**

I am a trained and certified educator (taught continuing education classes at UT for over ten years, designed and taught web based classes, presented various seminars in the state of Texas). To increase the efficiency of your personnel, I will provide the following types of training:

- Onsite or remote training,
- One-on-one or group training,
- Assessment of skill level and teaching on that level,
- Availability for questions – includes 20 minutes of tech support,
- Training manual, and
- Ongoing support for an extra fee.

#### **QuickBooks Setup**

To save you time, money and headaches in the initial QuickBooks setup process, I will:

- Spend time with you so that I understand your business,
- Provide onsite setup,
- Setup QuickBooks so that it runs efficiently for your particular needs (*Most people who setup QuickBooks on their own spend extra time and money later correcting mistakes and under utilizing the capabilities of QuickBooks*),
- Come in with years of experience for fast and efficient QuickBooks setup,
- Setup QuickBooks for easy use when entering data,
- Design custom reports that help your business grow,
- Provide a QuickBooks setup to assist your CPA with tax compliance,
- Offer QuickBooks training and troubleshooting, and
- Provide ongoing support after the setup (for an additional fee).

#### **Business Coaching**

- Spend time with you to understand your business and the marketplace,
- Offer multiple ways to help your business grow and profits increase,
- Marketing tips to increase clientele,
- Tips to find ways for expanding your services and/or products with existing clients,
- Information on improving your website,
- One-on-one coaching.

#### **What I Do Not Offer**

- Bookkeeping services,
- Tax advice or legal advice,
- I DO NOT recommend you setup your own QuickBooks program.

#### **Billing**

- One price packages,
- Early pay incentives,
- Payment by check, cash or credit card,
- Monthly billing for regular clients.
